

OLD SOUTHWARK FIRE STATION

Contact your local councillors and let them know you support a new school for SE1!

As we head towards the planning committee meeting the most effective way you can support the Old Southwark Fire Station development is to contact your local councillors and planning committee members and let them know that you support a new school for the area.

This is a unique opportunity to support the redevelopment of an iconic local building that will deliver a much needed new 900 student secondary school and 250 student sixth form college as well as 199 new homes and new community facilities, including open space and a new sports hall, on the Grotto site. The target date for the school to be open to pupils is September 2019 but this can only be achieved with your support.

The details for your local councillors are below. We would be very grateful if you can email them to let them know you support the application.

Senior councillors:

Cllr Peter John (Leader)

peter.john@southwark.gov.uk

Cllr Mark Williams (Cabinet Member for Regeneration)

mark.williams@southwark.gov.uk

Cllr Vicky Mills (Cabinet Member for Schools and Regeneration)

victoria.mills@southwark.gov.uk
